

**55th Annual Conference on Information Sciences and Systems
March 24-26, 2021**

Revised Call for Papers – New Deadlines!

Hosted by the
Department of Electrical and Computer Engineering, Johns Hopkins University
and Technical Co-Sponsorship by the
IEEE Information Theory Society

<https://ciss.jhu.edu>

The virtual CISS 2021 will feature live talks, prerecorded sessions with live discussions, and other enhancements. The new submission deadline is 23:59 GMT, December 23, 2020. Your submission must be in FINAL FORMAT. See below for submission details.

Authors are invited to submit previously unpublished papers describing theoretical advances, applications, and ideas in the fields of Information Sciences and Systems including:

- Information Theory
- Communications
- Energy Systems
- Signal Processing
- Image Processing
- Coding
- Systems and Control
- Optimization
- Quantum Systems
- Machine Learning
- Security and Privacy
- Statistical Inference
- Biological Systems
- Neuroscience

Papers will require approximately 18 minutes for presentation.

Submissions in FINAL FORMAT and no more than six (6) pages in length must be submitted online at ciss.jhu.edu by **December 23, 2020**. Authors will be notified of acceptance no later than **February 1, 2021**. Each accepted final manuscript must be uploaded in IEEE PDF format, along with a signed IEEE copyright form, no later than **February 8, 2021**. A video of each presentation must be uploaded at a URL to be provided no later than **February 24, 2021 (new)**. **These are firm deadlines that are necessary to ensure the timely availability of the conference platform and site.** IEEE reserves the right to exclude any paper from distribution after the conference, including removal from IEEE Xplore®, that is not presented by an author at the conference.
